Technical drawing of a mechanical part, likely a flange or plate, showing a top view. The part is rectangular with a central circular hole and four corner holes. Dimensions are provided: overall width 130, overall height 72, and various hole diameters and positions. A section line A-A is indicated on the right.

Dimensions:

- Overall width: 130
- Overall height: 72
- Distance from left edge to center of left corner hole: 15
- Distance from right edge to center of right corner hole: 15
- Distance between centers of left and right corner holes: 50
- Distance from top edge to center of top corner hole: 12
- Distance from bottom edge to center of bottom corner hole: 12
- Distance between centers of top and bottom corner holes: 28
- Distance between centers of left and right corner holes: 28
- Distance between centers of top and bottom corner holes: 28
- Distance between centers of left and right corner holes: 28

Section line A-A is indicated on the right.
